

FOR IMMEDIATE RELEASE:

ShoreTel Connect Receives 2016 Unified Communications Product of the Year Award

ShoreTel Honored by TMC for Exceptional Innovation

SUNNYVALE, Calif. – March 22, 2016 – ShoreTel® (NASDAQ: SHOR), the leading provider of brilliantly simple unified communications (UC) solutions and phone systems, announced today that **TMC**, a global, integrated media company helping clients build communities in print, in person and online, has named ShoreTel Connect™ as a 2016 Unified Communications Product of the Year Award winner.

ShoreTel Connect is a unique, single solution and user interface that provides business communications from the cloud, onsite or a hybrid combination of both. Connect is designed to simplify the way IT deploys, manages, scales, and secures phone systems. With ShoreTel Connect, businesses gain flexibility and customer insights and increase their ability to collaborate with employees inside as well as partners and customers outside the company – all while lowering IT operating costs.

“We’re delighted to be recognized by TMC for ShoreTel Connect,” said Eugenia Corrales, senior vice president of product at ShoreTel. “The team worked meticulously to deliver a unique unified communications solution that offers the flexibility and usability that businesses require today.”

“It gives me great pleasure to honor ShoreTel as a 2016 recipient of TMC’s Unified Communications Product of the Year Award for their innovative product, ShoreTel Connect,” said Rich Tehrani, CEO of TMC. “Our judges were very impressed with the ingenuity and excellence displayed by ShoreTel in their groundbreaking work on ShoreTel Connect.”

Winners of the 2016 Unified Communications Product of the Year Award will be published in the April 2016 edition of *INTERNET TELEPHONY* magazine.
